Reduction of Seats in Technical Courses

2184. SHRI RAMA MUNI REDDY SIRIGIREDDY: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that the AICTE rolled back from the reduction in seats it made in engineering, MCA and nursing colleges across the country;

(b) if so, the details of seats reduced initially and rolled back afterwards, State-wise;

(c) the reasons for reducing the number of seats in various colleges;

(d) whether seats have also been reduced in some Government colleges; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) to (e) The AICTE, in exercise of its mandate, insist on fulfillment of the requirements as per prescribed norms for imparting technical education by the institutions so that the quality of education delivered is not compromised. For the year 2005-06, the AICTE had undertaken a single comprehensive inspection of institutions. A number of deficiencies including shortage of faculty were observed by the AICTE. The Council decided to focus only on the most critical deficiency i.e. shortage of faculty and accordingly, the seats were reduced.

The number of seats reduced during 2005-06 in MCA were 7620 and in Engineering and Technology institutes were 27164. The Nursing colleges do not come under the purview of AICTE. The institutions were given opportunity to seek restoration of intake upto their sanctioned intake of 2004-05, if they make up the deficiency in faculty and intimated the Council. Meanwhile, AICTE has restored 22807 seats in Engineering and Technology institutes and 5471 seats in MCA. The State-wise details of
